Re: HQ-2013-00590-F

Dear Mr. Morisy:

This is an interim response to the request for information that you sent to the Department of Energy (DOE) under the Freedom of Information Act (FOIA), 5 U.S.C. 552. You asked for all document mentioning 'CIAC Case #632' inclusive of documents pertaining to the state-based compromise of the DOE Headquarters, Sandia National Laboratories, Los Alamos, Energy Information Administration, and the Nevada Site Office's Information Assurance Response Center.

The request has been sent to the Office of the Chief Information Officer to conduct a search of its files for responsive records. Upon completion of the search and review of any records located, you will be provided a response.

In your letter, you requested a waiver of fees associated with processing of the request. For purposes of assessment of fees, you have been categorized under the DOE regulation that implements the FOIA at Title 10, Code of Federal Regulations, Section 1004.9(b)(3), as a "news media" requester. Requesters in this category are charged fees for duplication only and are provided 100 pages at no cost.

Duplication fees for the request are not expected to exceed \$15.00, the minimum amount at which the DOE assesses fees. Therefore, a determination was not made about your request for a fee waiver.

Please refer to the above referenced number in any communications with the DOE about the request. If you have questions about processing, you may contact Ms. Valerie Young in the Office of the Chief Information Officer at IM-11/Germantown Building, 1000 Independence Avenue, SW, Washington, DC 20585, or on (301) 903-7855.

I appreciate the opportunity to assist you with this matter. If you have any questions about this letter, please contact Ms. Joan Ogbazghi in this office (MA-90/Forrestal Building) at the above address or on (202) 586-3595.

Sincerely,

A handwritten signature in black ink, appearing to read "Alex C. Morris", is written over a large, faint circular outline.

Alexander C. Morris
FOIA Officer
Office of Information Resources
